

Dharma, 21st Century and British Hindus

The Highest knowledge is knowing what to do... what should British Hindus do next?

"It is already becoming clear that a chapter which had a Western beginning will have to have an Indian ending if it is not to end in self-destruction of the human race. At this supremely dangerous moment in human history, the only way of salvation is the ancient Hindu way" **Toynbee**

- Are British Hindus acting in accordance with Dharma?
- What is it that is being referred to by these authors?
- Sanatan Dharma... Religion, Faith, Belief or Beyond?
- Mandir 2025 – Empty or Full
- Is Interfaith Dharmic?
- What is the most important contribution that Hindus can make to Europe?

"All over the world, it's the Indigenous communities trying to hold us back: First Nations in Canada, Indigenous people in Bolivia, Aborigines in Australia, tribal people in India. It's phenomenal all over the world that those who we call 'primitive' are trying to save those of us who we call 'enlightened' from total disaster"
